Dear Ms. Bass-Domel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 755863.

The Williamson County Sheriff's Office (the "sheriff's office") received a request for information pertaining to a specified incident that involves a named individual. The sheriff's office claims the requested information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 58.008(b) of the Family Code, which provides as follows:

Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise and from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;

(2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

Fam. Code § 58.008(b); *see also id.* §§ 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision” for purposes of title 3 of Family Code). Section 58.008(b) is applicable to records of juvenile conduct that occurred before, on, or after September 1, 2017. *See* Act of May 28, 2017, 85th Leg., R.S., ch. 746, § 22, 2017 Tex. Sess. Law Serv. 3173, 3187. The juvenile must have been at least ten years old and less than seventeen years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining “child” for purposes of title 3 of Family Code). We find the submitted information involves a juvenile offender, so as to fall within the scope of section 58.008(b). Although the requestor is a recruiter of the United States Navy (the “Navy”), the named individual, who is one of the offenders, was seventeen years of age or older at the time of the incident at issue. Thus, the requestor does not have a right of access to this information under section 58.008(d) of the Family Code. *See id.* § 58.008(d) (“[I]aw enforcement records concerning a child may be inspected or copied by a criminal justice agency as that term is defined by Section 411.082, Government Code[.]”). Therefore, the sheriff’s office must generally withhold the submitted information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code<sup>1</sup>

However, the named individual is a potential enlistee in the Navy. The United States Department of Defense (the “DoD”) is authorized to perform background investigations of persons seeking to enlist to determine the eligibility of applicants for acceptance into the armed services. 5 U.S.C. § 9101(b)(1)(A) (iii); *see also id.* § 9101(a)(6)(A) (DoD is a covered agency for purposes of section 9101). The Navy has a right to the criminal history record information (“CHRI”) of state and local criminal justice agencies when it receives the consent of the individual being investigated for release of such information. *See id.* § 9101(b)(1), (c); *see also* 10 U.S.C. § 111(b)(7) (DoD includes the Department of the Navy). CHRI is defined as “information collected by criminal justice agencies on individuals consisting of identifiable descriptions and notations of arrests, indictments, informations, or other formal criminal charges, and any disposition arising therefrom, sentencing, correction supervision and release” but does not include “identification information such as fingerprint records to the extent that such information does not indicate involvement in the criminal justice system” or “records of a State or locality sealed pursuant to law from access by State and local criminal justice agencies of that State or locality.” 5 U.S.C. § 9101(a)(2).

---

<sup>1</sup>As our ruling is dispositive, we do not address the other arguments of the sheriff’s office to withhold this information.

Federal law provides the Navy's right of access to CHRI preempts state law. *Id.* § 9101(b)(4) (section 9101 "shall apply notwithstanding any other provision of law . . . of any State"). Therefore, we conclude the Navy's right of access under federal law preempts the confidentiality of section 58.008(b) of the Family Code and section 552.108 of the Government Code. *See English v. Gen. Elec. Co.*, 496 U.S. 72, 79 (1990) (state law is preempted to extent it actually conflicts with federal law); *see also La. Pub. Serv. Comm'n v. FCC*, 476 U.S. 355, 369 (1986) (noting that federal agency acting within scope of its congressionally delegated authority may preempt state regulation). However, federal law also provides the Navy's right of access is contingent on the request being made for eligibility or retention purposes, and on receiving written consent from the individual under investigation for the release of such CHRI. *See* 5 U.S.C. § 9101(b)(1)(A)(iii), (c). The requestor seeks the information at issue for recruiting purposes and has provided a signed written consent for release of CHRI from the named individual. Therefore, the sheriff's office must release the CHRI pertaining to the named individual, but must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 58.008(b) of the Family Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
