ATTORNEY GENERAL OF TEXAS

March 18, 2019

Mr. Kevin Bailey  
Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79701

OR2019-07454

Dear Mr. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 762271 (Reference #M025799-021319).

The City of Midland (the "city") received a request for information pertaining to a specified incident. You state the city has released some information. You claim the submitted information is excepted from disclosure under sections 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of a video recording from a city police officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor provides the requisite information for the body worn camera recording at issue. We understand the submitted recording was required to be made by law or the policies of the city and the recording relates to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recording is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recording demonstrates it was not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

*Id.* § 1701.661(f). You state the video recording at issue pertains to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state the city has not received written authorizations for release from all subjects of the recordings. *See id.* Accordingly, we find the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
