

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 20, 2019

Mr. William Overton
Assistant General Counsel
Texas Department of Criminal Justice
P.O. Box 4004
Huntsville, Texas 77342-4004

OR2019-07763

Dear Mr. Overton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 755577 (OGC# DT0112).

The Texas Department of Criminal Justice (the "department") received a request for information pertaining to a named inmate. You argue, pursuant to section 552.028 of the Government Code, the department need not comply with the request for information. Alternatively, you claim the submitted information is excepted from disclosure under sections 552.108 and 552.134 of the Government Code. We have considered your arguments and reviewed the submitted information.

Section 552.028 of the Government Code provides, in relevant part:

(a) A governmental body is not required to accept or comply with a request for information from:

(1) an individual who is imprisoned or confined in a correctional facility; or

(2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under this chapter.

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028. You assert the requestor is acting as an agent of her father who is confined in a correctional facility. *See id.* § 552.028(c) ("correctional facility" is a place for the confinement of a person arrested for, charged with, or convicted of a criminal offense). Upon review, we agree the requestor is acting as the agent of the inmate for purposes of section 552.028. Therefore, the department need not comply with the request for information from the requestor. As we are able to make this determination, we need not address your remaining arguments against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
