Ms. LeAnn M. Quinn  
City Secretary  
City of Cedar Park

OR2019-08062

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 755674 (Ref. No. 19-395).

The Cedar Park Police Department (the "department") received two requests from the same requestor for information pertaining to a specified incident, three named individuals, and two specified vehicles. You state the department released some information. You state the department has no information responsive to portions of the request.<sup>1</sup> You claim the submitted information was not properly requested pursuant to section 1701.661 of the Occupations Code. We have considered your argument and reviewed the submitted information.

Generally, the Act authorizes the Office of the Attorney General to render decisions and opinions in two situations. The first occurs when a governmental body receives a written request for information from an individual or entity acting as a member of the public and requests a ruling from this office because the governmental body wishes to withhold responsive information in accordance with one of the Act's exceptions to disclosure. *See Gov't Code* §§ 552.301, .306. The second situation occurs when this office issues "materials, including detailed and comprehensive written decisions and opinions, that relate

<sup>1</sup>The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

to or are based on [the Act]” in order to “maintain uniformity in the application, operation, and interpretation of [the Act.]” *Id.* § 552.011.

The submitted information consists of department police officers’ body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera video recordings at issue pursuant to chapter 1701, the department need not release such information. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We therefore consider this matter closed. If you have any questions with regard to this letter, please refer to ID# 755674.

Sincerely,

Matthew Taylor  
Assistant Attorney General  
Open Records Division
