

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 26, 2019

Mr. Zachary Brown
Assistant City Attorney
City of Austin
P.O. Box 1088
Austin, Texas 78767

OR2019-08264

Dear Mr. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 756212 (PIR Nos. C018228 and X001814).

The City of Austin (the "city") received two requests from separate requestors for a specified contract. You state the city released some information. Although you take no position regarding whether the submitted information is excepted from disclosure, you state its release may implicate the proprietary interests of Bermex, Inc. ("Bermex"). Accordingly, you state, and provide documentation showing, you notified Bermex of the request and of its right to submit arguments to this office. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have reviewed the submitted information.

Initially, we note you have redacted information from the submitted documents. Pursuant to section 552.301 of the Government Code, a governmental body that seeks to withhold requested information must submit to this office a copy of the information, labeled to indicate which exceptions apply to which parts of the copy, unless the governmental body has received a previous determination for the information at issue. Gov't Code §§ 552.301(a), .301(e)(1)(D). You do not assert, nor does our review of our records indicate, you have been granted a previous determination to withhold such information without seeking a ruling from this office. *See id.* § 552.301(a); Open Records Decision No. 673 (2000). In this instance, we are able to discern the nature of the information that has been redacted; thus, being deprived of that information does not inhibit our ability to make a

ruling. Nevertheless, be advised that a failure to provide this office with requested information generally deprives us of the ability to determine whether information may be withheld and leaves this office with no alternative other than ordering the redacted information be released. *See* Gov't Code § 552.301(e)(1)(D) (governmental body must provide this office with copy of "specific information requested"); *id.* § 552.302. Thus, in the future, the city should refrain from redacting, without authorization, any information it submits to this office in seeking an open records ruling.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this ruling, we have not received comments from Bermex. Thus, we have no basis to conclude Bermex has a protected proprietary interest in the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the city may not withhold any of the submitted information on the basis of any proprietary interest Bermex may have in the information. As we have received no arguments against disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act may be directed to the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Matthew Taylor
Assistant Attorney General
Open Records Division
