

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 27, 2019

Mr. Michael C. Hayes
City Attorney
City of Kerrville
701 Main Street
Kerrville, Texas 78028

OR2019-08424

Dear Mr. Hayes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 756753.

The Kerrville Police Department (the "department") received a request for information pertaining to the requestor's client. You state the department will release some information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note the remaining information includes a CR-3 accident report that is subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. *See* Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is a person listed under section 550.065(c). Although the department asserts section 552.108 to withhold the information, a statutory right of access prevails over the Act’s general exceptions to public disclosure. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor’s statutory access under section 550.065(c) prevails, and the department may not withhold the information under section 552.108 of the Government Code. Thus, the department must release the CR-3 accident report in its entirety to the requestor pursuant to section 550.065(c) of the Transportation Code.

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending criminal investigation, and release of the information would interfere with the investigation and prosecution of the case. Based upon

¹As we are able to make this determination, we need not address your argument against disclosure of this information.

this representation, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and it need not be released. The department must release the CR-3 accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
