

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

March 28, 2019

Mr. Gary A. Scott
Assistant City Attorney
City of Conroe
P.O. Box 3066
Conroe, Texas 77305

OR2019-08467

Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 764645.

The City of Conroe (the "city") received a request for body camera and dash camera videos pertaining to a specified incident. You state the city released some information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requested information includes police officers' body worn camera videos. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera videos at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.108(a)(2) of the Government Code exempts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]” Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested). You state the remaining information pertains to a criminal investigation that did not result in conviction or deferred adjudication. Based on your representations, we find the city may withhold the remaining information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
