

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 1, 2019

Mr. Stephen D. Gates
First Assistant City Attorney
City of Midland
P.O. Box 1152
Midland, Texas 79702-1152

OR2019-08715

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 757201 (Ref. No. M025565-011519).

The City of Midland (the "city") received a request for a specified video recording. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 418.182 of the Government Code, which was added to chapter 418 of the Government Code as part of the Texas Homeland Security Act. Section 418.182 provides in part:

(a) Except as provided by Subsections (b) and (c), information, including access codes and passwords, in the possession of a governmental entity that relates to the specifications, operating procedures, or location of a security system used to protect public or private property from an act of terrorism or related criminal activity is confidential.

Id. § 418.182(a). The fact information may generally be related to a security system does not make the information *per se* confidential under section 418.182. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection).

Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting section 418.182 must adequately explain how the responsive information falls within the scope of the statute. *See Gov't Code § 552.301(e)(1)(A)* (governmental body must explain how claimed exception to disclosure applies).

You explain the purpose of the security camera system at issue is to protect public property from acts of terrorism, vandalism, theft, or related criminal activity. We understand release of the submitted video recording would reveal specifications and locations of the video surveillance cameras used by the city. You state release of the information at issue would compromise security by disclosing how to avoid detection while committing a crime or an act of terrorism. Based on your representations and our review, we conclude the submitted video recording is related to the specifications, operating procedures, or location of a security system used to protect public property from an act of terrorism or related criminal activity. *See Tex. Dep't of Pub. Safety v. Abbott*, 310 S.W.3d 670 (Tex. App.—Austin 2010, no pet.) (recorded images necessarily relate to specifications of security system that recorded them, and thus, are confidential under section 418.182). Accordingly, the city must withhold the submitted video recording under section 552.101 of the Government Code in conjunction with section 418.182(a) of the Government Code.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ¹As our ruling is dispositive, we need not address your remaining argument against disclosure.
