ATTORNEY GENERAL OF TEXAS

April 1, 2019

Ms. Katheryne Ellison
Assistant General Counsel
Houston Independent School District
4400 West 18th Street
Houston, Texas 77092-8501

OR2019-08767

Dear Ms. Ellison:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 756439 (File No. HC011019).

The Houston Independent School District (the "district") received a request for information pertaining to a named individual. We note the district has redacted student-identifying information from the submitted documents pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 21.355 of the Education Code provides, in relevant part, "[a] document evaluating

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

the performance of a teacher or administrator is confidential and is not subject to disclosure under [the Act].” Educ. Code § 21.355(a). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. Further, in Open Records Decision No. 643, we determined an “administrator” for purposes of section 21.355 means a person who is required to, and does in fact, hold an administrator’s certificate under subchapter B of chapter 21 of the Education Code, and is performing the functions as an administrator, as that term is commonly defined, at the time of the evaluation. *Id.*

You assert, and we agree, some of the information at issue consists of written evaluations are confidential under section 21.355. You inform us, and provide documentation showing, the administrator and teacher at issue held the appropriate certifications at the time of the evaluations at issue. Therefore, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. However, upon review, we find you have failed to demonstrate any of the remaining information constitutes documents evaluating the performance of a teacher or an administrator for the purposes of section 21.355 of the Education Code. Therefore, the district may not withhold any of the remaining information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.102(a) of the Government Code exempts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.”² Gov’t Code § 552.102(a). The Texas Supreme Court held section 552.102(a) exempts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts v. Attorney Gen. of Tex.*, 354 S.W.3d 336 (Tex. 2010). Accordingly, the district must withhold the dates of birth of district employees in the remaining information under section 552.102(a) of the Government Code.

Section 552.117(a)(1) of the Government Code exempts from disclosure the home address and telephone number, emergency contact information, social security number, and family

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See id.* §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body’s receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may only be withheld under section 552.117(a)(1) on behalf of a current or former employee who made a request for confidentiality under section 552.024 prior to the date of the governmental body’s receipt of the request for the information. Therefore, to the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the individuals at issue did not timely request confidentiality under section 552.024, the district may not withhold the information we have marked under section 552.117(a)(1).

Section 552.137 of the Government Code excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See* Gov’t Code § 552.137(a)-(c). The e-mail addresses at issue do not appear to be of a type specifically excluded by subsection (c). Therefore, we find the district must withhold the e-mail addresses in remaining information under section 552.137 of the Government Code, unless their owners affirmatively consent to their public disclosure or subsection (c) applies.

Section 552.147(a-1) of the Government Code provides, “[t]he social security number of an employee of a school district in the custody of the district is confidential.” *Id.* § 552.147(a-1). Thus, section 552.147(a-1) makes the social security numbers of school district employees confidential, without such employees being required to first make a confidentiality election under section 552.024 of the Government Code. *Id.* § 552.024(a-1) (school district may not require employee or former employee of district to choose whether to allow public access to employee’s or former employee’s social security number). Reading sections 552.024(a-1) and 552.147(a-1) together, we conclude section 552.147(a-1) makes confidential the social security numbers of both current and former school district employees. Accordingly, the district must withhold the social security numbers in the remaining information under section 552.147(a-1) of the Government Code.

In summary, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. The district must withhold the dates of birth of district employees under section 552.102(a) of the Government Code. To the extent the individuals whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. The district must withhold the e-mail addresses in remaining information under section 552.137 of the Government Code, unless their owners affirmatively consent to their public disclosure or subsection (c) applies. The district must withhold social security numbers under section 552.147(a-1) of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
