OR2019-08940

Dear Ms. Roberts:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 766110 (ORR# 75533).

The Arlington Police Department (the "department") received a request for information related to the requestor. The department states it is releasing some of the requested information. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as chapter 611 of the Health and Safety Code. Section 611.002 pertains to mental health records and provides, in pertinent part,

(a) Communications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.

(b) Confidential communications or records may not be disclosed except as provided by Section 611.004 or 611.0045.

Health & Safety Code § 611.002(a)-(b); *see id.* § 611.001 (defining “patient” and “professional”). Section 611.001 defines a “professional” as (1) a person authorized to practice medicine, (2) a person licensed or certified by the state to diagnose, evaluate or treat mental or emotional conditions or disorders, or (3) a person the patient reasonably believes is authorized, licensed, or certified. *See id.* § 611.001(2). Sections 611.004 and 611.0045 provide for access to mental health records only by certain individuals. *See id.* §§ 611.004, .0045; *see also* Open Records Decision No. 565 (1990). The submitted information consists of a mental health record that is subject to chapter 611 of the Health and Safety Code. Accordingly, the department must withhold the submitted mental health record under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.
