

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 5, 2019

Mr. Thomas McMillian
Assistant City Attorney
City of Amarillo
200 S.E. 3rd Avenue
Amarillo, Texas 79101

OR2019-09207

Dear Mr. McMillian:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 758399 (Request 19-104).

The Amarillo Police Department (the "department") received a request for information pertaining to a specified incident, including 9-1-1 calls, witness statements, narratives, photographs, notes, reports, call logs, and videos. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have not submitted information responsive to some of the information specified in the request. To the extent any information responsive to these portions of the request existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Gov't Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator's accident report), .062 (officer's accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

In this instance, the requestor is not a person listed under section 550.065(c). Thus, the submitted accident report is confidential under section 550.065(b), and the department must withhold it under section 552.101 of the Government Code. However, section 550.065(c-1) requires the department to create a redacted accident report that may be requested by any person. *Id.* § 550.065(c-1). The redacted accident report may not include the information listed in subsection (f)(2). *Id.* Therefore, the requestor has a right of access to the redacted accident report. Although you assert section 552.108 to withhold this information, a statutory right of access prevails over the Act's general exceptions to public disclosure. *See, e.g.,* Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Because section 552.108 is a general exception under the Act, the requestor's statutory access under section 550.065(c-1) prevails and the department may not withhold this information under section 552.108 of the Government Code. Thus, the department must release the redacted accident report to the requestor pursuant to section 550.065(c-1).

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the remaining information will interfere with a pending criminal investigation. Thus, based upon your representations, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Accordingly, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

In summary, the department must withhold the submitted accident report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code but must release the redacted accident report pursuant to section 550.065(c-1) of the Transportation Code. The department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

You ask us to issue a previous determination permitting the department to withhold information subject to section 552.108(a)(1) of the Government Code without the necessity of requesting an attorney general opinion. *See* Gov't Code § 552.301(a) (allowing governmental body to withhold information subject to previous determination); *Houston Chronicle v. Mattox*, 767 S.W.2d 695, 698 (Tex. 1989) (acknowledging this office has authority under section 552.301 of the Government Code to decide what constitutes a previous determination); Open Records Decision No. 673 (2001) (describing the two types of previous determinations). We note our office issued a previous determination permitting the department to withhold certain information subject to section 552.108(a)(1) of the Government Code in Open Records Decision No. 2019-05295 (2019). This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
