ATTORNEY GENERAL OF TEXAS

April 5, 2019

Ms. Nicole Warren  
Deputy City Attorney  
City of Temple  
2 North Main Street, Suite 308  
Temple, Texas 76501

OR2019-09272

Dear Ms. Warren:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 758074.

The City of Temple (the "city") received a request for several categories of information pertaining to a specified vehicle accident. You claim the submitted information was not properly requested pursuant to chapter 1701 of the Occupations Code. Alternatively, you claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered your arguments and reviewed the submitted information.

Initially, we note the city has only submitted video recordings pertaining to the specified incident. To the extent information responsive to the remainder of the request existed on the date the city received the request, we assume you have released it. *See* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible). If you have not released any such information, you must do so at this time. *See* Gov't Code § § 552.301(a), .302.

Next, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b). We note the remaining information, which consists of dash board camera recordings, is not subject to section 1701.661 of the Occupations Code, and the city may not withhold any portion of the remaining information on that basis.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 of the Government Code encompasses the doctrine of common-law privacy. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). Under the common-law right of privacy, an individual has a right to be free from the publicizing of private affairs in which the public has no legitimate concern. *Id.* at 682. The court of appeals has concluded public citizens’ dates of birth are protected by common-law privacy pursuant to section 552.101. *See Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at \*3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). Accordingly, the city must withhold the public citizen’s date of birth within the remaining video recordings under section 552.101 of the Government Code in conjunction with common-law privacy.

Section 552.130 of the Government Code exempts from disclosure information relating to a motor vehicle operator’s or driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country.<sup>1</sup> *See* Gov’t Code § 552.130. Accordingly, the city must withhold all visible license plates within the remaining video recordings under section 552.130 of the Government Code.

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. The city must withhold the public citizen's date of birth within the remaining video recordings under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold all visible license plates within the remaining video recordings under section 552.130 of the Government Code. The city must release the remaining information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
