Ms. Kristie L. Lewis

OR2019-09487

Dear Ms. Lewis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 758657 (Reference No. 19-00892).

The Houston Police Department (the "department") received a request for information pertaining to a specified motor vehicle accident, including the 9-1-1 tapes and dispatch transcripts, accident report, calls for services, citations, body worn camera video, dashboard camera video, witness statements, photographs, and call notes. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted a body worn camera recording pertaining to the specified incident. Although you state the department has submitted a representative sample of the requested information, we find the submitted information is not representative of all the types of information to which the requestor seeks access. Please be advised, this open records letter ruling applies only to the types of information you have submitted for our review. This ruling does not authorize the department to withhold any information that is substantially different from the types of information you submitted to this office. *See* Gov't Code § 552.302 (where request for attorney general decision does not comply with requirements of Gov't Code § 552.301, information at issue is presumed to be public). Accordingly, to the extent any additional information existed on the date the department received the request, we assume you have released it. If you have not released any such

information, you must do so at this time. *See id.* §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the information at issue relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A). The department states the submitted information pertains to a case that concluded in a result other than conviction or deferred adjudication. Based on this representation and our review, we agree the department may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.texasattorneygeneral.gov/open/orl\\_ruling\\_info.shtml](http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
