Dear Mr. Madiseti-Vemireddy:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 766718 (ORR# 2019-111-PIA).

The Williamson County Attorney's Office (the "county attorney's office") received a request for a specified policy, information pertaining to certain salaries, and information pertaining to specified investigations. You state you have no information responsive to a portion of the request.¹ You claim some of the submitted information is excepted from disclosure under section 552.152 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You seek to withhold the identifying information of undercover officers from the submitted information under section 552.152 of the Government Code. Section 552.152 provides,

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

employee or officer, disclosure of the information would subject the employee or officer to a substantial threat of physical harm.

Gov't Code § 552.152. You represent the release of the undercover officers' identities would subject the officers to a substantial threat of physical harm. Therefore, we find section 552.152 is applicable to the identities of the undercover officers within the information at issue. Accordingly, the county attorney's office must withhold the identifying information of the undercover officers, which you have marked, under section 552.152 of the Government Code. The county attorney's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
