ATTORNEY GENERAL OF TEXAS

April 10, 2019

Ms. Sylvia McClellan  
Assistant City Attorney  
Criminal Law and Police Section  
City of Dallas  
1400 South Lamar, 6th Floor, 6W  
Dallas, Texas 75215

OR2019-09670

Dear Ms. McClellan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 765448 (ORR# D005742-022219).

The Dallas Police Department (the "department") received a request for a specified probable cause affidavit and arrest warrant. You claim the submitted information is excepted from disclosure under sections 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Initially, we address the requestor's assertion in the request for information that the requested information is expressly public pursuant to article 15.26 of the Code of Criminal Procedure. Article 15.26 of the Code of Criminal Procedure Provides in relevant part:

---

<sup>1</sup>We assume the representative sample of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

The arrest warrant, and any affidavit presented to the magistrate in support of the issuance of the warrant, is public information, and beginning immediately when the warrant is executed the magistrate's clerk shall make a copy of the warrant and the affidavit available for public inspection in the clerk's office during normal business hours.

Crim Proc. Code art. 15.26. Thus, we interpret article 15.26 of the Code of Criminal Procedure to apply only to court clerks. Accordingly, we find that article 15.26 does not make the submitted information maintained by the department expressly public.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides:

(a) Except as provided by Section 261.203, the following information is confidential, is not subject to public release under chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). Upon review, we find the submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect. *See id.* § 261.001(1), (4) (defining "abuse" and "neglect" for purposes of Family Code chapter 261); *see also id.* § 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had disabilities of minority removed for general purposes). Thus, the submitted information is confidential under section 261.201. Accordingly, the department must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 261.201(a) of the Family Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
