ATTORNEY GENERAL OF TEXAS

Ms. ML Calcote  
Assistant General Counsel  
Texas Department of Public Safety  
P.O. Box 4087  
Austin, Texas 78773-0001

OR2019-09701

Dear Ms. Calcote:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 758810 (Ref. No. 19-0187).

The Texas Department of Public Safety (the "department") received a request for information pertaining to specified types of investigations involving commissioned department officers during a specified time period. You claim the requested information is excepted from disclosure under sections 552.101 through 552.158 of the Government Code. We have considered the exceptions you claim.

We must address the department's obligations under the Act. Section 552.301 of the Government Code prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301. Pursuant to section 552.301(e), a governmental body is required to submit to this office within fifteen business days of receiving an open records request (1) written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *Id.* § 552.301(e). In this instance, you state, and submit documentation demonstrating, the department received the request for information on January 14, 2019. Further, you provide documentation showing the department received clarification of the request on January 22, 2019. *See id.* § 552.222(b) (stating if information requested is unclear to governmental body or if large amount of information has been requested, governmental body may ask requestor to clarify or narrow request, but may not inquire into purpose for which information will be

used). Thus, the department is deemed to have received the request on January 22, 2019. Accordingly, the department's fifteen-business-day deadline was February 5, 2019. However, as of the date of this letter, you have not submitted for our review written comments stating the reasons why the claimed exceptions apply or a copy or representative sample of the information requested. Consequently, we find the department failed to comply with the requirements of section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). Although the department raises exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Meredith L. Coffman
