Dear Ms. Godden:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 758833 (LJISD-19-002).

The La Joya Independent School District (the "district"), which you represent, received a request for a specified investigative report. You claim the submitted information is excepted from disclosure under section 552.135 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.135 of the Government Code provides in relevant part the following:

- (a) "Informer" means a student or a former student or an employee or former employee of a school district who has furnished a report of another person's or persons' possible violation of criminal, civil, or regulatory law to the school district or the proper regulatory enforcement authority.
- (b) An informer's name or information that would substantially reveal the identity of an informer is excepted from [required public disclosure].
- (c) Subsection (b) does not apply:

- (1) if the informer is a student or former student, and the student or former student, or the legal guardian, or spouse of the student or former student consents to disclosure of the student's or former student's name; or
- (2) if the informer is an employee or former employee who consents to disclosure of the employee's or former employee's name; or
- (3) if the informer planned, initiated, or participated in the possible violation.

Gov't Code § 552.135(a)-(c). Because the legislature limited the protection of section 552.135 to the identity of a person who reports a possible violation of "law," a school district that seeks to withhold information under the exception must clearly identify to this office the specific civil, criminal, or regulatory law that is alleged to have been violated. *See id.* § 552.301(e)(1)(A). Additionally, individuals who provide information in the course of the investigation, but do not report a violation of law are not informants for purposes of section 552.135 of the Government Code. We note section 552.135 protects an informer's identity, but it does not generally encompass protection for witnesses or witness statements.

We understand the district to claim the submitted information reveals the identities of informers who reported possible violations of criminal laws. Based on the district's representations and our review, we conclude the district must withhold the information we have marked under section 552.135 of the Government Code. However, we find the district has not demonstrated the remaining information identifies an informer for purposes of section 552.135. Therefore, the district may not withhold any of the remaining information on that basis.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1).¹ *See* Gov't Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, "A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee's or former employee's social security number." *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under

¹The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

section 552.024. Section 552.117(a)(1) also applies to the personal cellular telephone number of a current or former official or employee of a governmental body, provided the cellular telephone service is not paid by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988). Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Therefore, to the extent the employees at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code; however, the district may only withhold any marked cellular telephone number if the cellular telephone service is not paid for by a governmental body. Conversely, to the extent the employees at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information at issue under section 552.117(a)(1).

Section 552.137 of the Government Code excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body" unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). Gov't Code § 552.137(a)-(c). The e-mail address at issue is not a type specifically excluded by section 552.137(c) of the Government Code. Accordingly, the district must withhold the e-mail address we have marked under section 552.137 of the Government Code, unless the owner of the e-mail address affirmatively consents to its disclosure.

In summary, the district must withhold the information we have marked under section 552.135 of the Government Code. To the extent the employees at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code; however, the district may only withhold any marked cellular telephone number if the cellular telephone service is not paid for by a governmental body. The district must withhold the e-mail address we have marked under section 552.137 of the Government Code, unless the owner of the e-mail address affirmatively consents to its disclosure. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
