

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

April 11, 2019

Mr. Tillman S. Roots  
Assistant District Attorney  
Comal County  
150 N. Seguin Avenue, Suite 307  
New Braunfels, Texas 78130-5161

OR2019-09814

Dear Mr. Roots:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 759348 (Ref. No. 190R-010).

The Comal County Sheriff's Office (the "sheriff's office") received a request for the personnel file of a named deputy. You claim some of the submitted information is not subject to the Act. You also claim the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, 552.114, 552.117, 552.130, 552.137, 552.139, and 552.140 of the Government Code.<sup>1</sup> We have considered the submitted arguments and reviewed the submitted information.

Initially, you state, and we agree, the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

---

<sup>1</sup>Although you raise section 552.1175 of the Government Code, we note section 552.117 of the Government Code is the proper exception to raise for information the sheriff's office holds in its capacity as employer.

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
  - (A) owns the information;
  - (B) has a right of access to the information; or
  - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Next, we note some of the remaining information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

- (1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). Some of the remaining information consists of completed evaluations that are subject to section 552.022(a)(1). The sheriff's office must release the information at issue pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise section 552.103 of the Government Code for the information at issue, this section is a discretionary exception to disclosure and does not make

information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to section 552.022(a)(1) may be withheld under section 552.103. As you raise no further exceptions against disclosure of this information, the information subject to section 552.022(a)(1), which we have marked, must be released. However, we will consider your arguments against disclosure for the information not subject to section 552.022.

Section 552.103 of the Government Code provides as follows:

(a) Information is excepted from [required public disclosure] if it is information relating to litigation of a civil or criminal nature to which the state or a political subdivision is or may be a party or to which an officer or employee of the state or a political subdivision, as a consequence of the person's office or employment, is or may be a party.

...

(c) Information relating to litigation involving a governmental body or an officer or employee of a governmental body is excepted from disclosure under Subsection (a) only if the litigation is pending or reasonably anticipated on the date that the requestor applies to the officer for public information for access to or duplication of the information.

Gov't Code § 552.103(a), (c). A governmental body has the burden of providing relevant facts and documents to show the section 552.103(a) exception is applicable in a particular situation. The test for meeting this burden is a showing (1) litigation was pending or reasonably anticipated on the date the governmental body received the request for information, and (2) the information at issue is related to that litigation. *Univ. of Tex. Law Sch. v. Tex. Legal Found.*, 958 S.W.2d 479, 481 (Tex. App.—Austin 1997, orig. proceeding); *Heard v. Houston Post Co.*, 684 S.W.2d 210, 212 (Tex. App.—Houston [1st Dist.] 1984, writ ref'd n.r.e.); Open Records Decision No. 551 at 4 (1990). A governmental body must meet both prongs of this test for information to be excepted under section 552.103(a).

You state the information at issue relates to a criminal case styled *State of Texas v. Wicklund*, Cause No. 2017-176, that was pending in the 207th Judicial District Court of Comal County, Texas, when the sheriff's office received the present request for information. We note the sheriff's office is not a party to the pending case and, thus, does not have a litigation interest in the case for purposes of section 552.103. *See* Gov't Code § 552.103(a); Open Records Decision No. 575 at 2 (1990) (statutory predecessor to section 552.103 only applies when governmental body is party to litigation). Under these circumstances, we require an affirmative representation from the governmental body with the litigation interest that it wants the information at issue withheld from disclosure under section 552.103. You request

the information at issue be withheld because prosecution is pending. Thus, we understand you to assert, as an assistant district attorney for the Comal County District Attorney's Office (the "district attorney's office"), the release of the submitted information would interfere with the district attorney's office's prosecution of the pending case. Based on your representations, we conclude the sheriff's office may withhold the remaining information on behalf of the district attorney's office under section 552.103.<sup>2</sup>

Generally, however, once information has been obtained by all parties to the litigation through discovery or otherwise, no section 552.103(a) interest exists with respect to that information. Open Records Decision Nos. 349 (1982), 320 (1982). Thus, information that has either been obtained from or provided to the opposing parties in the pending litigation is not excepted from disclosure under section 552.103(a), and it must be disclosed. Further, the applicability of section 552.103(a) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The sheriff's office must release the information subject to section 552.022(a)(1), which we have marked. The sheriff's office may withhold the remaining information under section 552.103(a) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
