

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

April 15, 2019

Ms. Stephanie Berry
Assistant City Attorney
City of Denton
215 East McKinney Street
Denton, Texas 76201

OR2019-09997

Dear Ms. Berry:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 759334.

The City of Denton (the "city") received a request for recordings pertaining to a specified accident. The city claims the submitted information is either not subject to release pursuant to chapter 1701 of the Occupations Code or excepted from disclosure under section 552.101 of the Government Code. We have considered the submitted arguments and reviewed the submitted information.

Initially, we note the submitted information includes a body worn camera recording of a city police officer. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). The requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera recording at issue pursuant to chapter 1701, our ruling does not reach this information and the city is not required to release it. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This section encompasses chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a 9-1-1 service supplier. *See* Open Records Decision No. 649 (1996). Upon review, we find the information in the submitted audio recording was provided directly by the 9-1-1 caller at issue. Thus, we find no portion of the submitted audio recording consists of the originating telephone number or address of a 9-1-1 caller that was furnished by a 9-1-1 service supplier. Accordingly, the city may not withhold any of the submitted audio recording under section 552.101 in conjunction with section 772.318 of the Health and Safety Code.

In summary, because the requestor did not properly request the submitted body worn camera recording pursuant to chapter 1701 of the Occupations Code, our ruling does not reach the body worn camera recording at issue and the city is not required to release it. The city must release the submitted audio recording.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
