Dear Mr. Resendez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 759297.

The Kennedy Independent School District (the "district"), which you represent, received a request for information pertaining to a specified report. The district states it is redacting some information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.<sup>1</sup> The district claims the submitted information is excepted from disclosure under section 552.116 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Initially, we note the district only submitted working papers related to the requested report. We assume, to the extent any additional responsive information existed when the district received the request for information, the district has released it to the requestor. If not, then

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. We have posted a copy of the letter from the DOE to this office on the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/2006075-USDOE-FERPA.pdf>.

the district must do so immediately. *See* Gov't Code §§ 552.006, .301, .302; Open Records Decision No. 664 (2000).

Section 552.116 of the Government Code provides,

If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. The district asserts the submitted information consists of audit working papers pertaining to an audit conducted by the district's administration. The district states, and provides documentation demonstrating, the audit is authorized by the district's board of trustee policy "FFH (local)." *See id.* § 552.116(b)(1). Based on these representations and our review, we agree the submitted information constitutes audit working papers. Therefore, the district may withhold the submitted information under section 552.116 of the Government Code.
