ATTORNEY GENERAL OF TEXAS

April 17, 2019

Ms. Brittaney N. Davis
Assistant City Attorney
City of Fort Worth
200 Texas Street, Third Floor
Fort Worth, Texas 76102

OR2019-10344

Dear Ms. Davis:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 759991 (Request No. W080688 and W081908).

The City of Fort Worth (the "city") received two requests from the same requestor for dash camera and body worn camera footage of a specified incident. You state the city has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of a police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the submitted body worn camera recording. The recording at issue reflects it was required to be made by law or the policies of the city's police department and relates to a law enforcement purpose. *See id.* § 1701.661(h). Further, we understand the recording is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recording demonstrates it was not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining "private space" for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

Id. § 1701.661(f). In this instance, the city informs us the body worn camera recording at issue involves an investigation of conduct that constitutes a misdemeanor punishable by fine only and did not result in arrest. The city states it does not have permission for release from all of the subjects of the recording at issue. Accordingly, the submitted body worn camera recording is confidential and must be withheld under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
