Ms. Jo Ann Pate
Assistant City Attorney
City of Fort Worth
200 Texas Street, 3rd Floor
Fort Worth, Texas 76102-6311

OR2019-10510

Dear Ms. Pate:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 760366 (PIR No. W0802448).

The City of Fort Worth (the "city") received a request for dashboard camera and body worn camera recordings pertaining to a specified incident involving the requestor. You state the city will release the requested dashboard camera recordings to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We note the submitted information consists of a recording from a city police officer's body worn camera. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). We note the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recording at issue. The submitted recording reflects it was required to be made by law or the policies of the city and the recording related to a law enforcement purpose. *See id.* § 1701.661(h). We also understand the recording at issue is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion made in a private space, or of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

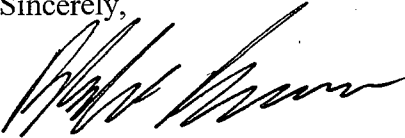

Id. § 1701.661(f). You state the submitted recording pertains to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You further state the city has not received a written authorization for release from all of the subjects of the recording. *See id.* Accordingly, the submitted body worn camera recording is confidential and the city must withhold it in its entirety under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

You also ask this office to issue a previous determination permitting the city to withhold body worn camera recordings involving the investigation of a motor vehicle accident that constitutes a misdemeanor punishable by fine only and that does not result in arrest and that are without written authorization from all subjects of the recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code without seeking a ruling from this office. *See Gov't Code* § 552.301 (a) (allowing governmental body to withhold information subject to previous determination); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination

under section 552.301(a) of the Government Code). We decline to issue such a ruling at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
