Mr. Robert T. Bass  
Counsel for Kerr County  
Allison, Bass & Magee, L.L.P.  
402 West 12th Street

OR2019-10721

Dear Mr. Bass:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 760711.

Kerr County (the "county"), which you represent, received a request for a specified list of individuals identified as non-citizens and communications related thereto. The county claims the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.130 of the Government Code. Additionally, the county provides documentation showing it has notified the Office of the Attorney General ("the OAG") of the right to submit comments to this office why some of the submitted information should not be released. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the OAG. We have considered the submitted arguments and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency . . . that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body asserting section 552.108(a)(1) must explain how and why the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1976). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal

conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Thus, where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

The OAG has advised this office the submitted information relates to an open criminal investigation conducted by the OAG's Election Fraud Section of the Criminal Prosecutions Division. Further, the OAG states release of the information at issue would interfere with the pending investigation. Based upon these representations, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the county may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the OAG.<sup>1</sup>
