ATTORNEY GENERAL OF TEXAS

Ms. Ana Markowski Smith  
County Attorney  
Val Verde County  
207 East Losoya Street  
Del Rio, Texas 78840

OR2019-10779

Dear Ms. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 760636.

Val Verde County (the "county") received two requests from different requestors for information pertaining to lists of ineligible voters. The county claims the submitted information is excepted from disclosure under sections 552.101 and 552.103 of the Government Code. Additionally, the county indicates release of the submitted information may implicate the interests of third parties. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released). We have received comments from the Office of the Attorney General ("OAG"). We have considered the submitted arguments and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" *Id.* § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108(a)(1) must explain how and why this

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a governmental body has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. The OAG states the submitted information relates to an open criminal investigation by the OAG's Election Fraud Section, and release of the information would interfere with the investigation of the case. Based upon this representation and our review, we find release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the information at issue. Accordingly, the county may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the OAG.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
