Ms. Michele Buendia  
Assistant City Attorney  
City of Dallas  
1400 South Lamar, 6th Floor 6W  
Dallas, Texas 75215

OR2019-10902

Dear Ms. Buendia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 769488 (ORR D008034).

The Dallas Police Department (the "department") received a request for information pertaining to a specified incident. You state the department will redact information pursuant to section 552.130(c) of the Government Code.<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes department body worn camera video. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

---

<sup>1</sup>Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e).

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. Section 552.101 encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). However, a governmental entity shall release an accident report in accordance with subsections (c) and (c-1). *Id.* § 550.065(c), (c-1). Section 550.065(c) provides a governmental entity shall release an accident report to a person or entity listed under this subsection. *Id.* § 550.065(c).

Here, the requestor is a person listed under section 550.065(c). Thus, the department must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code and the redacted accident report to the second requestor pursuant to section 550.065(c-1) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a

governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you marked relates to an open criminal investigation. Based upon this representation, we conclude the release of the information you marked would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) of the Government Code is applicable to the information you marked and it may be withheld on that basis.<sup>2</sup>

In summary, as the requestor did not properly request the body worn camera video at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information, and the department need not release it in response to this request for information. The department must release the accident report to the requestor pursuant to section 550.065(c) of the Transportation Code. The department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
