Assistant City Attorney
City of Mesquite
P.O. Box 850137

OR2019-10988

Dear Ms. Fernandez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 761784.

The Mesquite Police Department (the "department") received a request for information related to service number 19012871. The department states it is releasing some of the requested information, including the police officer's crash report pursuant to section 550.065(c) of the Transportation Code. *See* Transp. Code § 550.065(c) (providing for release of accident report to person or entity listed under this subsection). The department claims some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 143.090 of the Local Government Code. The department states the City of Mesquite is a civil service city under chapter 143 of the Local Government Code. Section 143.090 provides as follows:

A department, [the Fire Fighters' and Police Officers' Civil Service Commission], or municipality may not release a photograph that depicts a police officer unless:

- (1) the officer has been charged with an offense by indictment or by information;
- (2) the officer is a party in a civil service hearing or a case before a hearing examiner or in arbitration;
- (3) the photograph is introduced as evidence in a judicial proceeding;
or
- (4) the officer gives written consent to the release of the photograph.

Local Gov't Code § 143.090. The department states some of the submitted photographs depict police officers. The department informs us the police officers depicted in the photographs at issue have not provided the department with written consent regarding the release of the photographs. The department further informs us none of the remaining exceptions under section 143.090 are applicable. Therefore, the department must withhold the submitted photographs of police officers, which it noted, under section 552.101 of the Government Code in conjunction with section 143.090 of the Local Government Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130. Accordingly, the department must withhold all license plates and vehicle identification numbers within the remaining photographs under section 552.130 of the Government Code.

In summary, the department must withhold the photographs of police officers it noted under section 552.101 of the Government Code in conjunction with section 143.090 of the Local Government Code. The department must withhold all license plates and vehicle identification numbers within the remaining photographs under section 552.130 of the Government Code. The department must release the remaining information.
