Mr. Ron G. MacFarlane, Jr.  
Counsel for City of Cedar Hill  
The MacFarlane Firm, PC

OR2019-11159

Dear Mr. MacFarlane:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 762088.

The Cedar Hill Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim.

We must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Section 552.301(e) requires the governmental body to submit to the attorney general, not later than the fifteenth business day after the date of the receipt of the request: (1) written comments stating why the governmental body's claimed exceptions apply to the information that it seeks to withhold; (2) a copy of the written request for information; (3) a signed statement of the date on which the governmental body received the request or evidence sufficient to establish that date; and (4) the specific information that the governmental body seeks to withhold or representative samples if the information is voluminous. Gov't Code § 552.301(e)(1). You state the department received the request for information on February 7, 2019. As of the date of this letter, you have not submitted to this office a copy or representative sample of the information requested. Consequently, we find the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ). Although you raise exceptions to disclosure, because you have not submitted the requested information for our review, we have no basis for finding any of the information excepted from disclosure. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
