Dear Ms. Cristales:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768641.

The City of Frisco (the "city"), which you represent, received a request for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by section 773.091 of the Health and Safety Code, which provides in part:

- (a) A communication between certified emergency medical services [(“EMS”)] personnel or a physician providing medical supervision and a patient that is made in the course of providing emergency medical services to the patient is confidential and privileged and may not be disclosed except as provided by this chapter.
- (b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are

confidential and privileged and may not be disclosed except as provided by this chapter.

...

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(a)-(b), (g). The submitted information consists of records made and maintained by emergency medical services personnel. Upon review, we find section 773.091 is applicable to the submitted information. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.
