

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 1, 2019

Ms. Heather Silver  
Assistant City Attorney  
City of Dallas  
1500 Marilla Street, Room 7DN  
Dallas, Texas 75201

OR2019-11641

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 762972 .

The City of Dallas (the "city") received a request for fifteen categories of information pertaining to specified investigations.<sup>1</sup> You state the city will release some information. You state the city will withhold certain information pursuant to Open Records Decision No. 684 (2009) and Open Records Letter No. 2017-09757 (2017).<sup>2</sup> You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.<sup>3</sup>

---

<sup>1</sup>We understand the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also* *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

<sup>2</sup>Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information, including personal e-mail addresses under section 552.137 of the Government Code, without the necessity of requesting an attorney general decision. *See* ORD 684. Open Records Letter No. 2017-09757 authorizes the city to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office.

<sup>3</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Initially, you inform us some of the requested information was the subject of a previous request for a ruling, as a result of which this office issued Open Records Letter No. 2019-10745 (2019). We understand the law, facts, or circumstances on which the prior ruling was based have not changed. Thus, the city may continue to rely on Open Records Letter No. 2019-10745 as a previous determination and withhold the information at issue in accordance with that ruling. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in a prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure).

Section 552.111 of the Government Code excepts from disclosure “[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]” Gov’t Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref’d n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body’s policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body’s policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body’s policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document intended for public release in its final form necessarily represents the drafter’s advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying

statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You assert section 552.111 of the Government Code for the submitted information. Upon review, however, we find the submitted information pertains to personnel matters that do not rise to the level of policymaking. Therefore, we find the city has failed to demonstrate the submitted information constitutes internal communications containing advice, recommendations, or opinions reflecting the policymaking processes of the city. Accordingly, the city may not withhold any of the submitted information under section 552.111 of the Government Code.

In summary, the city may continue to rely on Open Records Letter No. 2019-10745 as a previous determination and withhold the information at issue in accordance with that ruling. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Erin Groff
