Dear Ms. Philley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 764130.

The Lovejoy Independent School District (the "district"), which you represent, received a request for any contracts or agreements between the city and public relations firms hired during a specified year and contracts or agreements between the city and external security firms hired during a specified time period. Although you take no position as to whether the submitted information is excepted from disclosure, you state release of this information may implicate the interests of Collin County Sheriff's Office; Impact Brands, L.L.C.; Spot 1 Media; Town of Fairview; and TruePoint Communications, L.L.C. Accordingly, you notified these third parties of the request for information and of each company's right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code §§ 552.304; .305(d); see also Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in Act in certain circumstances).* We have reviewed the submitted information.

We note an interested third party is allowed ten business days after the date of its receipt of the governmental body's notice to submit its reasons, if any, as to why information relating to that party should not be released. *See Gov't Code § 552.305(d)(2)(B).* As of the date of this letter, we have not received arguments from any of the third parties. Thus, the third

parties have not demonstrated the companies have protected proprietary interests in any of the submitted information. *See id.* § 552.110(a)-(b); Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the district may not withhold the submitted information on the basis of any proprietary interests any of the third parties may have in the information. As no exceptions to disclosure have been raised, the district must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Britni Ramirez
