

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 8, 2019

Mr. Peter G. Smith
City Attorney
City of Richardson
P.O. Box 831078
Richardson, Texas 75083-1078

OR2019-12352

Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 764461 (File No. P000466).

The City of Richardson (the "city") received a request for information pertaining to a specified incident. You state the city will release some information to the requestor. You state the city will withhold dates of birth pursuant to Open Records Letter No. 2017-00069 (2017).¹ You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

¹Open Records Letter No. 2017-00069 is a previous determination authorizing the city to withhold the dates of birth of living individuals under section 552.101 of the Government Code in conjunction with common-law privacy without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673 (2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code).

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review of the submitted information, we determine the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recordings at issue. The submitted recordings reflect they were required to be made by law or the policies of the city and relate to a law enforcement purpose. *See id.* § 1701.661(h). We understand the recordings are or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d) (stating information “that is or could be used as evidence in a criminal prosecution is subject to the requirements of [the Act.]”). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relate to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recordings reflect they were not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

Id. § 1701.661(f). You state the submitted video recordings consist of body worn camera recordings involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You do not indicate you have permission for release from all of the subjects of the recordings at issue. *See id.* Accordingly, we find the city must withhold the body worn camera recordings at issue under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See Gov’t Code* § 552.130. We note, because section 552.130 protects privacy interests, the requestor has a right of access to her client’s motor vehicle record information pursuant to section 552.023 of the Government Code. *See id.* §

552.023(a) (“person or a person’s authorized representative has special right of access, beyond right of general public, to information held by governmental body that relates to person and that is protected from public disclosure by laws intended to protect that person’s privacy interests”); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning herself). Accordingly, the city must withhold the motor vehicle record information you marked under section 552.130 of the Government Code.

In summary, the city must withhold the submitted body worn camera recordings under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code. The city must withhold the motor vehicle record information you marked under section 552.130 of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
