Dear Mr. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 764435 (Ref. No. P000521).

The City of Richardson (the "city") received a request for video recordings pertaining to a specified incident. You state you will redact dates of birth pursuant to Open Records Letter No. 20179-00069 (2017).<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. The submitted information consists of recordings from city police department officers' body worn cameras. Body worn cameras are subject to chapter 1701 of the Occupations Code. Section 1701.661(a) of the Occupations Code states the information a requestor must provide when seeking a body worn camera recording. *See* Occ. Code § 1701.661(a). We note the requestor provides the requisite information for the body worn camera recordings at issue. We understand the submitted recordings were required to be made by law or the policies of the city's police department and the recordings relate to a law enforcement purpose. *See id.* § 1701.661(h). criminal prosecution. *See id.* § 1701.661(d). Additionally, we have no indication the recordings document an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). The submitted recordings demonstrate they were not made in a private space for the purposes of section 1701.661(f). *See id.* §§ 1701.661(f), .651(3) (defining “private space” for purposes of section 1701.661(f)). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person’s authorized representative.

*Id.* § 1701.661(f). You state the submitted recordings pertain to the investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. We understand you have not received a written authorization for release from all of the subjects of the recordings. *See id.* Accordingly, we find the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.<sup>2</sup>
