

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 13, 2019

Mr. Eric C. Farrar
Counsel for the City of Katy
Olson & Olson, L. L. P.
2727 Allen Parkway, Suite 600
Houston, Texas 77019-2133

OR2019-12719

Dear Mr. Farrar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 765494 (Ref. No. COK19-004).

The City of Katy (the "city"), which you represent, received a request for information pertaining to a named city police officer. You state the city will release some information. You state the city will redact information pursuant to sections 552.130(c), 552.136(c), and 552.147(b) of the Government Code and Open Records Decision No. 684 (2009).¹ You further state the city will redact certain information protected by section 552.117(a)(2) of the

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in subsection 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.136(c) of the Government Code allows a governmental body to redact the information described in section 552.136(b) without the necessity of seeking a decision from the attorney general. *See id.* § 552.136(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.136(e). *See id.* § 552.136(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact the social security number of a living person without the necessity of requesting a decision from this office under the Act. *See id.* § 552.147(b). Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information without the necessity of requesting an attorney general decision.

Government Code in accordance with Open Records Decision No. 670 (2001).² You claim some of the submitted information is excepted from disclosure under sections 552.101, 552.102, and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information contains a Texas Commission on Law Enforcement (“TCOLE”) identification number. Section 552.002(a) of the Government Code defines “public information” as information that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

- (1) by a governmental body;
- (2) for a governmental body and the governmental body:
 - (A) owns the information;
 - (B) has a right of access to the information; or
 - (C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or
- (3) by an individual officer or employee of a governmental body in the officer’s or employee’s official capacity and the information pertains to official business of the governmental body.

Gov’t Code § 552.002. In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand a TCOLE identification number is a unique computer-generated number assigned to licensees for identification in TCOLE’s electronic database and may be used as an access device number on the TCOLE website. Accordingly, we find the submitted TCOLE identification number does not constitute public information under section 552.002 of the Government Code. Therefore, the TCOLE identification number is not subject to the Act, and the city need not release it to the requestor.

²Open Records Decision No. 670 authorizes all governmental bodies to withhold the current and former home addresses and telephone numbers, personal cellular telephone and pager numbers, social security numbers, and family member information of peace officers under section 552.117(a)(2) of the Government Code without the necessity of requesting an attorney general decision. ORD 670 at 6.

Section 552.101 of the Government Code excepts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” *Id.* § 552.101. Section 552.101 of the Government Code encompasses section 1701.454 of the Occupations Code. Section 1701.454 governs the public availability of information submitted to TCOLE under subchapter J of chapter 1701 of the Occupations Code. Section 1701.454 provides as follows:

- (a) All information submitted to [TCOLE] under this subchapter is confidential and is not subject to disclosure under Chapter 552, Government Code, unless the person resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses.
- (b) Except as provided by this subchapter, a [TCOLE] member or other person may not release information submitted under this subchapter.

Occ. Code § 1701.454. The submitted information does not reflect the officer at issue resigned or was terminated due to substantiated incidents of excessive force or violations of the law other than traffic offenses. Therefore, the city must withhold the submitted F-5 form under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code.

Section 552.101 of the Government Code also encompasses information subject to chapter 550 of the Transportation Code. Section 550.065 applies only to a written report of an accident required under section 550.061, 550.062, or 601.004. Transp. Code § 550.065(a)(1). Chapter 550 requires the creation of a written report when the accident resulted in injury to or the death of a person or damage to the property of any person to the apparent extent of \$1,000 or more. *Id.* §§ 550.061 (operator’s accident report), .062 (officer’s accident report). An accident report is privileged and for the confidential use of the Texas Department of Transportation or a local governmental agency of Texas that has use for the information for accident prevention purposes. *Id.* § 550.065(b). Thus, the submitted accident report is confidential under section 550.065(b) of the Transportation Code, and the city must withhold it under section 552.101 of the Government Code.³

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy[.]” Gov’t Code § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Tex. Comptroller of Pub. Accounts*

³As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

v. Attorney Gen. of Tex., 354 S.W.3d 336 (Tex. 2010). Accordingly, the city must withhold the employees' dates of birth you marked under section 552.102(a) of the Government Code.⁴

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which is subject to the two-part test discussed above. *Indus. Found.*, 540 S.W.2d at 685. To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). The court of appeals has concluded public citizens' dates of birth are protected by common-law privacy pursuant to section 552.101. *Paxton v. City of Dallas*, No. 03-13-00546-CV, 2015 WL 3394061, at *3 (Tex. App.—Austin May 22, 2015, pet. denied) (mem. op.). This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is generally highly intimate or embarrassing. *See* Open Records Decision Nos. 600 (1992) (employee's designation of retirement beneficiary, choice of insurance carrier, election of optional coverages, direct deposit authorization, forms allowing employee to allocate pretax compensation to group insurance, health care or dependent care), 523 (1989) (common-law privacy protects credit reports, financial statements, and other personal financial information), 373 (1983) (sources of income not related to financial transaction between individual and governmental body protected under common-law privacy). However, this office has found the public has a legitimate interest in information relating to applicants and employees of governmental bodies and their employment qualifications and job performance, especially where the applicant was seeking a position in law enforcement. *See* Open Records Decision Nos. 562 at 10 (1990), 470 at 4 (1987) (public has legitimate interest in job qualifications and performance of public employees), 444 (1986), 423 at 2 (1984) (scope of public employee privacy is narrow). Upon review, we conclude some of the remaining information meets the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information you marked under section 552.101 of the Government Code in conjunction with common-law privacy.⁵

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989) (quoting *Ex parte Pruitt*, 551 S.W.2d 706

⁴As our ruling is dispositive, we need not address your remaining arguments against disclosure of this information.

⁵As our ruling is dispositive, we need not address your remaining argument against disclosure of this information.

(Tex. 1977)). A governmental body claiming section 552.108(b)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See* Gov't Code §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706. Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *See City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You argue release of the firearm serial numbers you marked would interfere with law enforcement because the serial numbers could be used on illegal firearms to commit crimes or be falsely used in a missing weapons report. Based on your representations and our review, we agree release of the information at issue would interfere with law enforcement. Accordingly, the city may withhold the firearm serial numbers you marked under section 552.108(b)(1) of the Government Code.

In summary, the TCOLE identification number is not subject to the Act, and the city need not release it to the requestor. The city must withhold the submitted F-5 form under section 552.101 of the Government Code in conjunction with section 1701.454 of the Occupations Code. The submitted accident report is confidential under section 550.065(b) of the Transportation Code, and the city must withhold it under section 552.101 of the Government Code. The city must withhold the employees' dates of birth you marked under section 552.102(a) of the Government Code. The city must withhold the information you marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city may withhold the firearm serial numbers you marked under section 552.108(b)(1) of the Government Code. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
