Ms. Stacie S. White
Counsel for the City of Euless
Taylor Olson Adkins Sralla Elam L.L.P.
6000 Western Place, Suite 200
Fort Worth, Texas 76107-4654

OR2019-12805

Dear Ms. White:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 765500.

The City of Euless (the "city"), which you represent, received a request for nine categories of information related to a specified citation, including personnel records of certain city police officers, vehicle information, and training manuals. You state the city will release some information. You state the city will redact information pursuant to sections 552.130(c) and 552.147(b) of the Government Code and pursuant to Open Records Decision No. 684 (2009).¹ You claim portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

¹Section 552.130(c) of the Government Code allows a governmental body to redact the information described in section 552.130(a) without the necessity of seeking a decision from the attorney general. *See* Gov't Code § 552.130(c). If a governmental body redacts such information, it must notify the requestor in accordance with section 552.130(e). *See id.* § 552.130(d), (e). Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office. *See id.* § 552.147(b). Open Records Decision No. 684 is a previous determination to all governmental bodies authorizing them to withhold certain categories of information without the necessity of requesting an attorney general decision.

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to a peace officer for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses information protected by statutes such as section 1703.306 of the Occupations Code, which provides:

(a) A polygraph examiner, trainee, or employee of a polygraph examiner, or a person for whom a polygraph examination is conducted or an employee of the person, may not disclose information acquired from a polygraph examination to another person other than:

- (1) the examinee or any other person specifically designated in writing by the examinee;
- (2) the person that requested the examination;
- (3) a member, or the member's agent, of a governmental agency that licenses a polygraph examiner or supervises or controls a polygraph examiner's activities;
- (4) another polygraph examiner in private consultation; or
- (5) any other person required by due process of law.

(b) The [Texas Department of Licensing and Regulation] or any other governmental agency that acquires information from a polygraph examination under this section shall maintain the confidentiality of the information.

(c) A polygraph examiner to whom information acquired from a polygraph examination is disclosed under Subsection (a)(4) may not disclose the information except as provided by this section.

Occ. Code § 1703.306. Upon review, we find portions of the remaining information, which we marked, contain information acquired from polygraph examinations. The requestor does not fall within any of the categories of individuals who have a right of access to the submitted polygraph information under section 1703.306(a). Accordingly, the city must withhold the information acquired from polygraph examinations we marked under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code.

Section 552.101 of the Government Code also encompasses section 1701.306 of the Occupations Code, which applies to L-2 Declaration of Medical Condition and L-3 Declaration of Psychological and Emotional Health forms. L-2 and L-3 forms are required by TCOLE. Section 1701.306 provides the following:

(a) [TCOLE] may not issue a license to a person unless the person is examined by:

- (1) a licensed psychologist or by a psychiatrist who declares in writing that the person is in satisfactory psychological and emotional health to serve as the type of officer for which a license is sought; and
- (2) a licensed physician who declares in writing that the person does not show any trace of drug dependency or illegal drug use after a blood test or other medical test.

(b) An agency hiring a person for whom a license is sought shall select the examining physician and the examining psychologist or psychiatrist. The agency shall prepare a report of each declaration required by Subsection (a) and shall maintain a copy of the report on file in a format readily accessible to [TCOLE]. A declaration is not public information.

Id. § 1701.306(a)-(b). Upon review, we find you have failed to demonstrate any portion of the remaining information consists of L-2 or L-3 declaration forms. Accordingly, the city may not withhold any portion of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.101 of the Government Code also encompasses section 611.002 of the Health and Safety Code. Section 611.002 provides “[c]ommunications between a patient and a professional, and records of the identity, diagnosis, evaluation, or treatment of a patient that are created or maintained by a professional, are confidential.” Health & Safety Code § 611.002(a). Section 611.001 defines a “professional” as (1) a person authorized to practice medicine, (2) a person licensed or certified by the state to diagnose, evaluate or treat mental or emotional conditions or disorders, or (3) a person the patient reasonably believes is authorized, licensed, or certified. *See id.* § 611.001(2). Upon review, we find a portion of the remaining information, which we marked, consists of mental health records. Thus, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code.

Section 552.101 of the Government Code also encompasses information protected by section 411.083 of the Government Code, which pertains to criminal history record information (“CHRI”). CHRI generated by the National Crime Information Center (“NCIC”) or by the Texas Crime Information Center is confidential under federal and state law. CHRI means “information collected about a person by a criminal justice agency that consists of identifiable descriptions and notations of arrests, detentions, indictments, informations, and other formal criminal charges and their dispositions.” Gov’t Code § 411.082(2). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI obtained from the NCIC network or other states. *See* 28 C.F.R. § 20.21. The federal regulations allow each state to follow its individual law with respect to CHRI it generates. Open Records Decision No. 565 at 7 (1990); *see generally* Gov’t Code ch. 411 subch. F. Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F, or subchapter E-1, of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Thus, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with Government Code chapter 411. We note section 411.083 does not apply to active warrant information or other information relating to one’s current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person’s current involvement in the

criminal justice system). We also note CHRI does not include driving record information. *See id.* § 411.082(2)(B). Upon review, we find the information we have marked consists of confidential CHRI. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. However, we find the city has not demonstrated any portion of the remaining information consists of CHRI for purposes of chapter 411 of the Government Code, and the city may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.102(a) of the Government Code excepts from disclosure “information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.”² *Id.* § 552.102(a). The Texas Supreme Court held section 552.102(a) excepts from disclosure the dates of birth of state employees in the payroll database of the Texas Comptroller of Public Accounts. *Texas Comptroller of Public Accounts v. Attorney General of Texas*, 354 S.W.3d 336 (Tex. 2010). Thus, under *Texas Comptroller*, section 552.102(a) is applicable to the birth date of an employee of a governmental body in a record maintained by his or her employer in an employment context. Accordingly, the city must withhold the employee’s date of birth we marked under section 552.102(a) of the Government Code.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. Types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). This office has also found personal financial information not relating to a financial transaction between an individual and a governmental body is generally private. *See* Open Records Decision Nos. 545 (1990) (deferred compensation information, participation in voluntary investment program, election of optional insurance coverage, mortgage payments, assets, bills, and credit history), 523 (1989) (common-law privacy protects credit reports, financial statements, and other personal financial information), 423 at 2 (1984) (scope of public employee privacy is narrow). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find you have failed to demonstrate any of the remaining information is highly intimate or embarrassing and not of legitimate public

²The Office of the Attorney General will raise mandatory exceptions on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

concern. Therefore, the city may not withhold any of the remaining information under section 552.101 of the Government Code on that basis.

Section 552.117(a)(2) of the Government Code excepts from public disclosure the home address, home telephone number, emergency contact information, and social security number of a peace officer, as well as information that reveals whether the peace officer has family members, regardless of whether the peace officer complies with sections 552.024 and 552.1175 of the Government Code. *See* Gov't Code § 552.117(a)(2). Section 552.117(a)(2) applies to peace officers as defined by article 2.12 of the Code of Criminal Procedure. We note section 552.117(a)(2) is applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid for by a governmental body. *See* Open Records Decision No. 670 at 6 (2001) (Gov't Code § 552.117(a)(2) excepts from disclosure peace officer's cellular telephone number if officer pays for service), 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Upon review, we find the information we marked consists of the personal information of a peace officer who is employed by the city, and the information is held in the employment context. Accordingly, the city must withhold the information we marked under section 552.117(a)(2) of the Government Code; however, the city may only withhold the marked cellular telephone number if a governmental body did not pay for the cellular telephone service.

As noted above, you state the city will redact motor vehicle record information pursuant to section 552.130 of the Government Code. We note the remaining information contains additional motor vehicle record information. Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. *See* Gov't Code § 552.130(a). Accordingly, the city must withhold the motor vehicle record information you marked, as well as the additional motor vehicle record information we marked, under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, "Notwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, the city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code.

In summary, the officer's TCOLE number is not subject to the Act and need not be released to the requestor. The city must withhold the information acquired from polygraph examinations we marked under section 552.101 of the Government Code in conjunction with section 1703.306 of the Occupations Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with section 611.002 of the Health and Safety Code. The city must withhold the information we marked under

section 552.101 of the Government Code in conjunction with section 411.083 of the Government Code. The city must withhold the employee's date of birth we marked under section 552.102(a) of the Government Code. The city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the information we marked under section 552.117(a)(2) of the Government Code; however, the city may only withhold the marked cellular telephone number if a governmental body did not pay for the cellular telephone service. The city must withhold the motor vehicle record information you marked and we marked under section 552.130 of the Government Code. The city must withhold the insurance policy numbers we marked under section 552.136 of the Government Code. The city must release the remaining information.
