Dear Mr. DiMarco:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 772811.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. Initially, we note you only submitted video recordings. To the extent any additional responsive information existed on the date you received the request, we assume you have released it. If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible). In this instance, the requestor does not give the requisite information under section 1701.661(a) of the Occupations Code. As the requestor did not properly request the body worn camera recording(s) at issue pursuant to chapter 1701, our ruling does not reach this information and it need not be released. You claim the remaining information may be withheld from the requestor pursuant to section 552.108(a)(1) of the Government Code. Upon review of your arguments and the remaining information, we conclude you may withhold the remaining information under section 552.108(a)(1).

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/og/memorulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
