ATTORNEY GENERAL OF TEXAS

May 14, 2019

Mr. Robert G. Schleier, Jr.
Counsel for City of Kilgore
Law Office of Robert G. Schleier, Jr., PC
116 North Kilgore Street
Kilgore, Texas 75662

OR2019-12915

Dear Mr. Schleier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 765411.

The Kilgore Police Department (the "department"), which you represent, received a request for the department's use of force policy. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure "[a]n internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution . . . if . . . release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *City of Fort Worth v. Cornyn*, 86 S.W.3d 320, 327 (Tex. App.—Austin 2002, no pet.). To prevail on its claim that section 552.108(b)(1) excepts information from disclosure, a governmental body must do more than merely make a conclusory assertion that releasing the information would interfere with law enforcement. Instead, the governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. *See* Open Records Decision No. 562 at 10 (1990) (construing statutory predecessor). This office has concluded section 552.108(b) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.,* Open Records Decision Nos. 531 (1989) (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 of the Government Code is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure

of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORDs 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known).

You assert release of the submitted use of force policy would “impair an officer’s ability to arrest a suspect and would place individuals at an advantage in confrontations with police and would, therefore, unduly interfere with law enforcement and crime prevention.” Based on your arguments and our review of the information at issue, we agree that release of the information we have marked would interfere with law enforcement. Accordingly, the department may withhold the information we have marked under section 552.108(b)(1). However, we find you have failed to demonstrate release of the remaining information would interfere with law enforcement or crime prevention. Consequently, the department may not withhold the remaining information under section 552.108(b)(1). As no further exceptions to disclosure have been raised, the department must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
