Mr. Jonathan Miles  
Open Records Attorney  
Texas Health and Human Services Commission  
P.O. Box 13247  
Austin, Texas 78711

OR2019-13033

Dear Mr. Miles:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 765565 (ORR# 17838).

The Texas Health and Human Services Commission (the "commission") received a request for information pertaining to a named individual. The commission claims the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code protects "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 576.005 of the Health and Safety Code, which provides "[r]ecords of a mental health facility that directly or indirectly identify a present, former, or proposed patient are confidential unless disclosure is permitted by other state law." Health & Safety Code § 576.005. The commission states the submitted information constitutes records of a mental health facility that would directly or indirectly identify a patient of the facility. *See id.* § 571.003(12), (16). Upon review, we find the submitted information is confidential under section 576.005. We are unaware of any other state law that would permit disclosure of this information. Accordingly, the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 576.005 of the Health and Safety Code. *See* Open Records Decision No. 163 at 2-3 (1977) (statutory predecessor to Health and Safety Code § 576.005

made confidential detailed medical histories of residents, former residents, and deceased residents; correspondence to and from parents of residents; and notes of visits with parents).

Finally, the commission asks this office to issue a previous determination that would permit it to withhold records of a mental health facility under section 552.101 of the Government Code in conjunction with section 576.005 of the Health and Safety Code without requesting a ruling from this office. Open Records Decision No. 673 (2001). We decline to issue such a previous determination at this time. Accordingly, this letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us. Therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
