

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 23, 2019

Mr. Joseph Behnke  
Assistant General Counsel  
Office of the Governor  
P. O. Box 12428  
Austin, Texas 78711

OR2019-13730

Dear Mr. Behnke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 767333 (OOG ID# 097-19).

The Office of the Governor (the "governor's office") received a request for a specified agreement template. The governor's office claims the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception the governor's office claims and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of

advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

The governor's office states the submitted information constitutes a preliminary draft of a document, and that this draft document is circulated exclusively within the governor's office. The governor's office also states "the draft represents policy decisions on a number of levels, including the best methods by which to accomplish certain objectives, incorporate applicable laws, and protect the State of Texas in potential disputes, as well as how to best establish a baseline for such positions before entering into negotiations." The governor's office explains the final forms of documents generated from this draft document are intended for public release. Based on the governor's office's representations and our review of the information at issue, we find the governor's office may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
