

**KEN PAXTON**  
ATTORNEY GENERAL OF TEXAS

May 23, 2019

Mr. Stephen D. Gates  
First Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79702

OR2019-13735

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 766913 (PIR No. M026013-030819).

The City of Midland (the "city") received a request for three specified reports pertaining to the requestor. You state the city released some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses the doctrine of common-law privacy, which protects information that is (1) highly intimate or embarrassing, the publication of which would be highly objectionable to a reasonable person, and (2) not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be satisfied. *Id.* at 681-82. The types of information considered intimate and embarrassing by the Texas Supreme Court are delineated in *Industrial Foundation*. *Id.* at 683. Additionally, this office has concluded some kinds of medical information are generally highly intimate or embarrassing. *See* Open Records Decision No. 455 (1987). Upon review, we find the information we marked satisfies the standard articulated by the Texas Supreme Court in *Industrial Foundation*. Accordingly, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. However, we find you have not demonstrated any of the remaining information is highly intimate or embarrassing and not of legitimate concern to the public. Thus, none of the remaining information may be withheld under section 552.101 in conjunction with common-law privacy.

We note the remaining information contains e-mail addresses that are subject to section 552.137 of the Government Code.<sup>1</sup> Section 552.137 excepts from disclosure “an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body” unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). *See* Gov’t Code § 552.137(a)-(c). We note the requestor has a right of access to his own e-mail addresses pursuant to section 552.137(b). *See id.* § 552.137(b). The e-mail addresses at issue are not excluded by subsection (c). Accordingly, the city must withhold the personal e-mail addresses we marked within the remaining information under section 552.137 of the Government Code, unless the respective owners affirmatively consent to their public disclosure.

In summary, the city must withhold the information we marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must withhold the personal e-mail addresses we marked under section 552.137 of the Government Code, unless the respective owners affirmatively consent to their public disclosure. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Britni Ramirez
