Mr. Thomas M. Gilliland
Public Information Officer
Harris County Sheriff's Office
1200 Baker Street, 2nd Floor

OR2019-13814

Dear Mr. Gilliland:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 770750 (HCSO No. 19SO5001276).

The Harris County Sheriff's Office (the "sheriff's office") received a request for video recordings and photographs pertaining to a specified motor vehicle accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the requestor only seeks video recordings and photographs pertaining to the specified incident. This ruling does not address the public availability of any information that is not responsive to the request and the sheriff's office is not required to release such information in response to this request.

Next, we note you submitted photographs, but did not submit video recordings responsive to the request. To the extent any such information responsive to the request existed on the date the sheriff's office received the request, we assume the sheriff's office has released it. If the sheriff's office has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to a pending criminal investigation. Based on your representation and our review, we find release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the submitted information. Accordingly, the sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

In summary, this ruling does not address the public availability of any information that is not responsive to the request and the sheriff’s office is not required to release such information in response to this request. To the extent any video recordings responsive to the request existed on the date the sheriff’s office received the request, the sheriff’s office must release them. The sheriff’s office may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Jesse Harvey
