Mr. Joey Moore
Counsel for Luling Independent School District
Walsh, Gallegos Trevino Russo & Kyle, PC

OR2019-13883

Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 767097.

The Luling Independent School District (the "district"), which you represent, received a request for three categories of information pertaining to a named employee. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the United States Department of Education Family Policy Compliance Office has informed this office the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code, does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act.¹ Consequently, state and local educational authorities that receive a request for education records from a member of the public under the Act must not submit education records to this office in unredacted form, that is, in a form in which "personally identifiable information"

is disclosed. *See* 34 C.F.R. § 99.3 (defining “personally identifiable information”). You have submitted education records for our review. Because our office is prohibited from reviewing these education records to determine whether appropriate redactions under FERPA have been made, we will not address the applicability of FERPA to any of the submitted records. *See* 20 U.S.C. § 1232g(a)(1)(A). Such determinations under FERPA must be made by the educational authority in possession of the education records. However, we will consider your arguments against disclosure of the submitted information.

Section 552.101 of the Government Code exempts from disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses information other statutes make confidential, such as section 21.062 of the Education Code. Section 21.062 provides:

(a) During an investigation by the [C]ommissioner [of Education (the “commissioner”)] of an educator for an alleged incident of misconduct, the commissioner may issue a subpoena to compel:

...

(2) the production, for inspection or copying, of relevant evidence that is located in this state.

...

(d) All information and materials subpoenaed or compiled in connection with an investigation described by Subsection (a) are confidential and not subject to disclosure under [the Act].

Educ. Code § 21.062(a)(2), (d). You state the submitted information relates to an investigation of an educator by the commissioner for an alleged incident of misconduct. You further state, and provide documentation showing, the submitted information was submitted to Texas Education Agency in response to a subpoena issued by the commissioner. Based on your representations and our review, we agree the district must withhold the submitted information under section 21.062(d) of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
