

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 28, 2019

Mr. Robert Scamardo
General Counsel
Fort Bend Independent School District
16431 Lexington Boulevard
Sugar Land, Texas 77479

OR2019-13990

Dear Mr. Scamardo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 767632 (FBISD TPIA# 21901).

The Fort Bend Independent School District (the "district") received a request for personnel records pertaining to a named employee and the district's employee disciplinary process and policies. The district states it will provide some information to the requestor. We understand the district has redacted student-identifying information from the submitted documents pursuant to the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20 of the United States Code.¹ The district claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the district claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes.

¹The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or student consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the education records. A copy of this letter may be found on the Office of the Attorney General's website: <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

Section 21.355 of the Education Code provides, in relevant part, “[a] document evaluating the performance of a teacher or administrator is confidential.” Educ. Code § 21.355(a). The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because “it reflects the principal’s judgment regarding [a teacher’s] actions, gives corrective direction, and provides for further review.” *Abbott v. North East Indep. Sch. Dist.*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted section 21.355 to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. *See* Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we determined for purposes of section 21.355, the word “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code and who is in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4.

The district asserts the submitted information is confidential under section 21.355. Upon review, we find portions of the submitted information consist of evaluations of a teacher by the district. The district states, and provides documentation showing, the teacher at issue was certified as a teacher by the State Board of Educator Certification and was acting as a teacher at the time the evaluations were prepared. Accordingly, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. However, we note the remaining information consists of administrative investigation documents relating to a complaint filed against the named employee and letters sent to the named employee pertaining to the investigation. Upon review of this information, we find it does not consist of documents evaluating the performance of a teacher for the purposes of section 21.355, and the district may not withhold it under section 552.101.

We note portions of the remaining information may be subject to section 552.117 of the Government Code.² Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See* Gov’t Code §§ 552.117(a)(1), .024. Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

governmental body's receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body's receipt of the request for the information. Therefore, to the extent the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the individual at issue did not timely request confidentiality under section 552.024, the district may not withhold the marked information under section 552.117(a)(1).

In summary, the district must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code. To the extent the individual whose information is at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
