

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

May 29, 2019

Mr. James Kopp
Assistant City Attorney
City of San Antonio
P O Box 839966
San Antonio, Texas 78207

OR2019-14151

Dear Mr. Kopp:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 775055 (COSA File No. W262026).

The City of San Antonio (the "city") received a request for a named city police officer's training records. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes an officer's Texas Commission on Law Enforcement ("TCOLE") identification number. Section 552.002(a) of the Government Code defines "public information" as the following:

[I]nformation that is written, produced, collected, assembled, or maintained under a law or ordinance or in connection with the transaction of official business:

(1) by a governmental body;

(2) for a governmental body and the governmental body:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(A) owns the information;

(B) has a right of access to the information; or

(C) spends or contributes public money for the purpose of writing, producing, collecting, assembling, or maintaining the information; or

(3) by an individual officer or employee of a governmental body in the officer's or employee's official capacity and the information pertains to official business of the governmental body.

Gov't Code § 552.002(a). In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. We understand the officer's TCOLE identification number is a unique computer-generated number assigned to peace officers for identification in TCOLE's electronic database, and may be used as an access device number on the TCOLE website. Thus, we find the officer's TCOLE number does not constitute public information under section 552.002 of the Government Code. Therefore, the officer's TCOLE number is not subject to the Act and need not be released to the requestor.²

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This section encompasses section 143.089 of the Local Government Code. You indicate the city is a civil service city under chapter 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files: a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g). In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a).³ *Abbott v. City of Corpus Christi*, 109 S.W.3d 113,

²As we are able to make this determination, we need not address your argument against disclosure of this information.

³Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *See* Local Gov't Code §§ 143.051-.055.

122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are “from the employing department” when they are held by or in possession of the department because of its investigation into a police officer’s misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records are subject to release under the Act. *See* Local Gov’t Code § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department’s internal file pursuant to section 143.089(g) is confidential and must not be released. *City of San Antonio v. Texas Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You state the submitted information is contained in the internal files of the city’s police department pursuant to section 143.089(g). Based on this representation, we agree this information is confidential under section 143.089(g) of the Local Government Code, and the city must withhold it pursuant to section 552.101 of the Government Code.

In summary, the officer’s TCOLE number is not subject to the Act and need not be released to the requestor. The city must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 143.089(g) of the Local Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
