Ms. Lizbeth Islas Plaster  
City Attorney  
City of Lewisville  
P. O. Box 299002  
Lewisville, Texas 75029-9002

OR2019-14194

Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 767657 (Reference No. P030467-030819).

The City of Lewisville (the "city") received a request for information pertaining to a specified incident. You state the city will release some information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. We note the submitted information consists of a city police officer's body worn camera recording. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). Upon review of the submitted information, we determine the requestor provided the information required by section 1701.661(a) of the Occupations Code for release of the body worn camera recording at issue. The submitted recording reflects it was required to be made by law or the policies of the city's police department and relates to a law enforcement purpose. *See id.* § 1701.661(h). We understand the recording is or could be used as evidence in a criminal prosecution. *See id.* § 1701.661(d) (stating information "that is or could be used as evidence in a criminal prosecution is subject to the requirements of [the Act.]"). Additionally, we have no indication the recording documents an incident that involves the use of deadly force by an officer or relates to an administrative or criminal investigation of an officer. *See id.* § 1701.660(a). We note, however, section 1701.661(f) provides, in relevant part:

A law enforcement agency may not release any portion . . . of a recording involving the investigation of conduct that constitutes a misdemeanor punishable by fine only and does not result in arrest, without written authorization from the person who is the subject of that portion of the recording or, if the person is deceased, from the person's authorized representative.

*Id.* § 1701.661(f). You state the submitted video recording consists of a body worn camera recording involving an investigation of conduct that constitutes a misdemeanor punishable by fine only and which did not result in an arrest. You state the city lacks permission for release from all of the subjects of the recording at issue. *See id.* Accordingly, we find the city must withhold the body worn camera recording at issue under section 552.101 of the Government Code in conjunction with section 1701.661(f) of the Occupations Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
