Dear Ms. Neally:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 767788.

The Los Fresnos Consolidated Independent School District (the "district"), which you represent, received a request for the requestor's client's personnel file and documents pertaining to the requestor's client's termination. You state you have released some information to the requestor. You state you have redacted information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g(a).<sup>1</sup> You claim the submitted information is excepted from disclosure under sections 552.103 and 552.116 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

---

<sup>1</sup>The United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office FERPA does not permit state and local educational authorities to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. The DOE has determined FERPA determinations must be made by the educational authority in possession of the educational records. We have posted a copy of the letter from the DOE on the Attorney General's website at <https://www.texasattorneygeneral.gov/sites/default/files/files/divisions/open-government/20060725-USDOE-FERPA.pdf>.

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information includes a completed report that is subject to section 552.022(a)(1). The district must release the information at issue pursuant to section 552.022(a)(1) unless it is excepted from disclosure under section 552.108 of the Government Code or expressly made confidential under the Act or other law. Although you raise sections 552.103 and 552.116 of the Government Code for this information, these sections are discretionary exceptions to disclosure and do not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, none of the information subject to section 552.022(a)(1), which we have marked, may be withheld under section 552.103 or section 552.116. As you raise no further exceptions against disclosure of this information, it must be released. However, we will consider your arguments for the remaining information.

Section 552.116 of the Government Code provides:

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.

(b) In this section:

(1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state the remaining information consists of audit working papers maintained in the course of an investigation into alleged educator misconduct authorized by district board policy DH (Local). Based on your representations and our review of the information at issue, we agree the information at issue constitutes audit working papers maintained in the course of an investigation. Accordingly, the district may withhold the remaining information under section 552.116 of the Government Code.<sup>2</sup>

In summary, the district must release the information we have marked pursuant to section 552.022(a)(1) of the Government Code. The district may withhold the remaining information under section 552.116 of the Government Code.
