

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

Mr. Ryan D. Pittman
Counsel for the City of Frisco
Abernathy, Roeder, Boyd & Hullett, P.C.
P.O. Box 1210
McKinney, Texas 75069-1210

OR2019-14270

Dear Mr. Pittman:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768088 (Reference No. G032609-032019).

The City of Frisco (the "city"), which you represent, received a request for a specified fire marshall report.¹ You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by chapter 418 of the Government Code. As part of the Texas Homeland Security Act, sections 418.176 through 418.182 were added to chapter 418 of the Government Code. These provisions make confidential certain information related to terrorism. Section 418.176(a) provides:

¹We note the city sought and received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding when governmental entity, acting in good faith, requests clarification of unclear or overbroad request for public information, ten-business-day period to request attorney general opinion is measured from date request is clarified or narrowed).

Information is confidential if the information is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and:

- (1) relates to staffing requirements of an emergency response provider, including law enforcement agency, a fire-fighting agency, or an emergency services agency;
- (2) relates to a tactical plan of the provider; or
- (3) consists of a list or compilation of pager or telephone numbers, including mobile and cellular telephone numbers, of the provider.

Id. § 418.176(a). The fact that information may relate to a governmental body's security concerns does not make the information per se confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any confidentiality provision, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive information falls within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You state the information at issue is maintained "for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and relates to a tactical plan." You argue release of the information at issue could put the security of public assets and citizens at risk. Upon review, we find the information at issue relates to the staffing requirements or tactical plan of an emergency response provider that was collected, assembled, or maintained for the purpose of responding to an act of terrorism or related activity. *See id.* § 418.176(a)(1)-(2). Accordingly, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 418.176 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²As our ruling is dispositive, we need not address the remaining arguments against disclosure of the submitted information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
