ATTORNEY GENERAL OF TEXAS

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park

Cedar Park, Texas 78613

OR2019-14328

Dear Ms. Quinn

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768108 (Reference No. CS-19-129).

The City of Cedar Park (the "city") received a request for information pertaining to a specified project. You state the city will release some of the requested information. You claim some of the submitted information is excepted from disclosure under section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

You inform us the submitted information was the subject of a previous request for information, as a result of which this office issued Open Records Letter No. 2018-10715 (2018). In that ruling, we concluded, the city (1) may withhold the information we have marked under section 552.111 of the Government Code; (2) must withhold the cellular telephone number we marked under section 552.117(a)(1) of the Government Code if the employee whose information is at issue timely requested confidentiality under section 552.024 of the Government Code and the cellular telephone service is not paid for by a

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

governmental body; and (3) must release the remaining information. As we have no indication the law, facts, or circumstances on which the previous ruling was based have changed, the city must continue to rely on Open Records Letter No. 2018-10715 as a previous determination and withhold or release the submitted information in accordance with that ruling. See Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure). As we are able to make this determination, we need not address your arguments against disclosure of the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
