

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

June 3, 2019

Mr. Andrew Heston
Assistant District Attorney
Brazoria County
111 East Locust, Suite 408A
Angleton, Texas 77515

OR2019-14524

Dear Mr. Heston:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768446 (Internal Reference# 19-0469).

The Brazoria County Purchasing Department (the "county") received a request for all proposals and pricing for a specified request for proposals. You claim the submitted information is excepted from disclosure under sections 552.104 and 552.110 of the Government Code. Additionally, you state release of this information may implicate the proprietary interests of Beregon; Ceres; Crowder Gulf ("CG"); D&J Enterprises; DRC Emergency Services; KDF Enterprises, LLC; Phillip Jordan, Inc.; Sorrell; and TFR Enterprises, Inc. Accordingly, you state you notified these third parties of the request for information and of their right to submit arguments to this office as to why the information at issue should not be released. *See* Gov't Code § 552.305(d); *see also* Open Records Decision No. 542 (1990) (statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain applicability of exception in the Act in certain circumstances). We have received comments from CG who does not object to the release of information. We have considered the exceptions you claim and reviewed the submitted information.

The county contends the submitted information is excepted from disclosure under section 552.110 of the Government Code. Section 552.110 protects (1) trade secrets and (2) commercial or financial information the disclosure of which would cause substantial

competitive harm to the person from whom the information was obtained. *See* Gov't Code § 552.110(a)-(b). We note section 552.110 protects the interests of private parties that provide information to governmental bodies, not the interests of governmental bodies themselves. *See generally* Open Records Decision No. 592 (1991). Accordingly, we do not consider the county's arguments under section 552.110.

An interested third party is allowed ten business days after the date of its receipt of the governmental body's notice under section 552.305(d) to submit its reasons, if any, as to why information relating to that party should be withheld from public disclosure. *See* Gov't Code § 552.305(d)(2)(B). As of the date of this letter, we have not received comments from any remaining third party explaining why the submitted information should not be released. Therefore, we have no basis to conclude any remaining third party has a protected proprietary interest in the submitted information. *See id.* § 552.110; Open Records Decision Nos. 661 at 5-6 (1999) (to prevent disclosure of commercial or financial information, party must show by specific factual evidence, not conclusory or generalized allegations, that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret), 542 at 3. Accordingly, the county may not withhold the submitted information on the basis of any proprietary interest any remaining third party may have in the information.

Section 552.104(a) of the Government Code excepts from disclosure "information that, if released, would give advantage to a competitor or bidder." Gov't Code § 552.104(a). The "test under section 552.104 is whether knowing another bidder's [or competitor's information] would be an advantage, not whether it would be a decisive advantage." *Boeing Co. v. Paxton*, 466 S.W.3d 831 (Tex. 2015). While you argue the release of the submitted information could harm third parties by giving an advantage to their competitors, such an interest in protecting the information belongs to the third party and not the county. Therefore, we find the county may not withhold the submitted information under section 552.104(a) of the Government Code.

We note the remaining information contains information subject to section 552.130 of the Government Code, which provides information relating to a motor vehicle operator's or driver's license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release.¹ Gov't Code § 552.130(a). Upon review, we find the county must withhold the vehicle identification numbers and license plate information under section 552.130 of the Government Code.

Section 552.136 of the Government Code provides, "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected,

assembled, or maintained by or for a governmental body is confidential.” *Id.* § 552.136(b); *see id.* § 552.136(a) (defining “access device”). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. *See* Open Records Decision No. 684 at 9 (2009). Upon review, the county must withhold the insurance policy numbers under section 552.136 of the Government Code.

We note some of the remaining information may be protected by copyright. A custodian of public records must comply with the copyright law and is not required to furnish copies of records that are copyrighted. Open Records Decision No. 180 at 3 (1977). A governmental body must allow inspection of copyrighted materials unless an exception applies to the information. *Id.*; *see* Open Records Decision No. 109 (1975). If a member of the public wishes to make copies of copyrighted materials, the person must do so unassisted by the governmental body. In making copies, the member of the public assumes the duty of compliance with the copyright law and the risk of a copyright infringement suit.

In summary, the county must withhold the vehicle identification numbers and license plate information under section 552.130 of the Government Code. The county must withhold the insurance policy numbers under section 552.136 of the Government Code. The county must release the remaining information; however, any information protected by copyright may only be released in accordance with copyright law.
