ATTORNEY GENERAL OF TEXAS

Mr. Alexander Garcia
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277

OR2019-14564

Dear Mr. Garcia:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768403 (ORR Nos. SJak1 & JAya2).

The Corpus Christi Police Department (the "department") received two requests from different requestors for case number 1812300116. The department claims the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Section 261.201 of the Family Code provides, in relevant part, as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

...

(k) Notwithstanding Subsection (a), an investigating agency, other than the [Texas Department of Family and Protective Services] or the Texas Juvenile Justice Department, on request, shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect, or to the child if the child is at least 18 years of age, information concerning the reported abuse or neglect that would otherwise be confidential under this section. The investigating agency shall withhold information under this subsection if the parent, managing conservator, or other legal representative of the child requesting the information is alleged to have committed the abuse or neglect.

Fam. Code § 261.201(a), (k). The submitted information was used or developed in an investigation of alleged or suspected child abuse or neglect conducted by the department. *See id.* §§ 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes), 261.001(1), (4) (defining “abuse” and “neglect” for purposes of chapter 261 of the Family Code). Accordingly, we find this information is subject to chapter 261 of the Family Code. In this instance, the department has provided documentation demonstrating the requestor is the authorized representative for the parents of the child victims listed in the information at issue. Further, the second requestor is a parent of the child victims listed in the information. However, we note one of the requestor’s clients, who is the second requestor, is alleged to have committed the suspected abuse or neglect. Thus, the requestor does not have a right of access to the information at issue under section 261.201(k). *See id.* § 261.201(k). Therefore, the department must withhold the submitted information from both requestors under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See Open Records Decision No. 440 at 2 (1986) (predecessor statute).*

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
