

KEN PAXTON  
ATTORNEY GENERAL OF TEXAS

June 3, 2019

Ms. Rebecca Caballero  
Waxahachie Police Department  
630 Farley Street  
Waxahachie, Texas 75165

OR2019-14577

Dear Ms. Caballero:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 768213.

The Waxahachie Police Department (the "department") received a request for six specified incident reports. The department claims the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception the department claims and reviewed the submitted information.

Initially, we note the department has not submitted two of the specified incident reports. To the extent any information responsive to these portions of the request existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Next, we note report number 1900009066 involves an alleged violation of section 32.51 of the Penal Code, which provides, "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses an item of . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b)(1). For purposes of section 32.51, "identifying information" includes an individual's name and financial institution account number. *Id.* § 32.51(a)(1)(A), (C).

Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005, and provides:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

- (1) the name of the victim;
- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005, if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, report number 1900009066 pertains to a report of fraudulent use of identifying information, which constitutes an alleged violation of section 32.51. We note the requestor is the victim of the alleged identity theft listed in the report, and the alleged offense occurred after September 1, 2005. Therefore, report number 1900009066 is subject to article 2.29 of the Code of Criminal Procedure. *See* Crim. Proc. Code art. 2.29. Although the department seeks to withhold the report under section 552.108 of the Government Code, this exception does not make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, report number 1900009066 may not be withheld under section 552.108 of the Government Code, and the department must release it to this requestor.

Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See* Gov't Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply

to information requested). The department states report numbers 1700032229, 1700037590, and 1800004573 pertain to closed cases that did not result in conviction or deferred adjudication. Based on this representation, we agree section 552.108(a)(2) is applicable to report numbers 1700032229, 1700037590, and 1800004573.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Id.* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the department may withhold report numbers 1700032229, 1700037590, and 1800004573 under section 552.108(a)(2) of the Government Code. The department must release the remaining information to this requestor.<sup>1</sup>

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. <sup>1</sup>We note the requestor has a right of access to some of the information being released. See Gov't Code § 552.023(a) (governmental body may not deny access to person to whom information relates or person's agent on ground that information is considered confidential by privacy principles); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individuals request information concerning themselves). Because the requestor has a right of access to some of the information being released, if the department receives another request for this information from a different requestor, the department must again seek a ruling from this office.
